

HOLIDAY Toy Drive

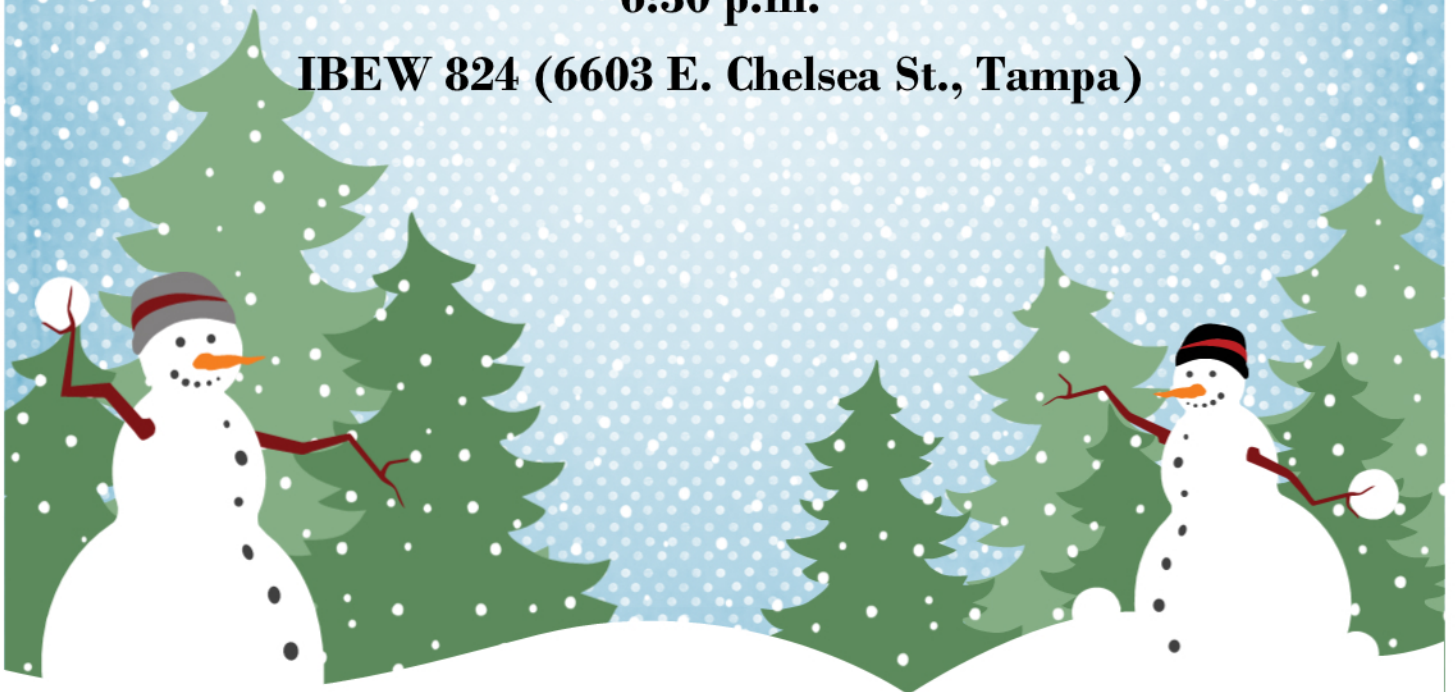

West Central Florida Labor Council is again partnering with local unions in our area to collect new unwrapped toys for children ages 0-17 years. These toys will be given to children in need this holiday season.

These children and their families are facing great hardships. This is a great opportunity to help families in need from our communities. Please bring the toys to the December 4th Central Labor Council's Holiday Social. If you cannot attend, please contact Lanette for pickup.
