- B. For an extension of a leave of one (1) semester or more, an employee shall make a written request not less than sixty (60) days before the end of the leave, if practicable.
- C. The University shall approve or deny such request in writing not later than thirty (30) days after receipt of the request.
- D. An absence without approved leave or extension of leave shall subject the employee to the provisions of Article 16.7.
- E. An employee's request for use of leave for an event covered by the provisions of the Family and Medical Leave Act (FMLA) of 1993 (Public Law 103-3) shall be submitted and responded to in accordance with the provisions of Article 17.6 below.

17.2 Return from Leave. An employee who returns from an approved leave of absence with or without pay shall be returned to the same classification, unless the University and the employee agree in writing to other terms and conditions. The return from FMLA leave shall be in accordance with Article 17.6 below.

17.3 Accrual During Leave with Pay. An employee shall accrue normal leave while on compensated leave in full-pay status, or while participating in the sabbatical or professional development programs. If an employee is on compensated leave in less than full-pay status for other than sabbaticals or professional development programs, the employee shall accrue leave in proportion to the pay status.

17.4 Tenure Credit During Periods of Leave. Leaves of an entire semester or more during which an employee is on compensated or uncompensated leave shall not be creditable for the purpose of determining eligibility for tenure, except by mutual agreement of the employee and the University. In deciding whether to credit such leave toward tenure eligibility, the President or representative shall consider the duration of the leave, the relevance of the employee's activities while on such leave to the employee's professional development and to the employee's field of employment, the benefits, if any, which accrue to the University by virtue of placing the employee on such leave, and other appropriate factors.

17.5 Holidays.

A. An employee shall be entitled to observe all official holidays designated as holidays by the University, which shall at a minimum include those holidays designated in Fla. Stat. Section 110.117. No classes shall be scheduled on designated holidays. Classes not held because of a holiday shall not be rescheduled.

B. Supervisors are encouraged not to require an employee to perform duties on holidays; however, an employee required to perform duties on holidays shall have the employee's schedule adjusted to provide equivalent time off.

C. If an employee who has performed duties on a holiday terminates employment prior to being given time off, the employee shall be paid, upon termination, for the holiday hours worked within the previous twelve (12) month period.

17.6 Family and Medical Leave Act (FMLA) Entitlements.

A. The Family and Medical Leave Act of 1993 ("FMLA") is the common name for the Federal law providing eligible employees an entitlement of up to four hundred and eighty (480) hours of leave without pay for qualified family or medical reasons during a one-year period. This Act entitles the employee to take leave without pay; where University policies permit, employees may use accrued leave with pay during any qualifying family or medical leave. The failure to list, define, or specify any particular provision or portion of the FMLA in this Agreement shall in no way constitute a waiver of any of the rights or benefits conferred to the employer or the employee through the FMLA.

B. Implementation of FMLA Leave Entitlements.

(1). An employee, whether salaried or paid from Other Personal Services (OPS), is entitled to four hundred and eighty (480) hours of FMLA leave within a twelve (12) month period for any qualifying family or medical leave.

(2). Pursuant to Fla. Admin. Code 6C4- 10.104(12), a salaried employee is entitled to a parental leave for up to six (6) months in accordance with the provisions of Article 17.7 below, for a birth or adoption of the employee's child. If an eligible employee elects to take Parental Leave, up to four hundred and eighty (480) hours of such leave may be counted against that employee's FMLA entitlement.

C. Accounting for the Use of FMLA Leave in a Twelve-Month Period.

(1). ~~The fiscal year (July 1 – June 30) shall be the designated twelve (12) month period in which to count the use of up to four hundred and eighty (480) hours of FMLA leave. Leaves of absences under the FMLA (both intermittent and continuous leaves) are tracked on a rolling 12-month measured backward from the start date of the employee's request leave period.~~

(2). An eligible employee's entitlement to leave for a birth or placement for adoption or foster care expires at the end of a twelve (12) month period beginning on the date of the birth or placement of the child.

D. Use and Approval of FMLA Leave.

(1). The **University Division of Human Resources (DHR)** shall approve FMLA leave for an eligible employee as long as the reasons for absence qualify under the FMLA and the employee has not exhausted the employee's four hundred and eighty (480) hours within the appropriate 12-month period for such leave. The employee may request FMLA leave as accrued leave, leave without pay, or a combination of both.

(2). The University may require that the employee use accrued leave with pay prior to requesting leave without pay for four hundred and eighty (480) hours (12 workweeks) of FMLA leave. Requiring the use of paid leave shall be applied consistently and may not be used merely to exhaust the employee's leave balance in order to prohibit the use of paid leave while on leave without pay as provided for in Article 17.11(E) below.

(3). After the **President DHR or representative** has acquired knowledge that the leave is being taken for an FMLA qualifying event, the **President DHR or representative** shall within two business days, absent extenuating circumstances, notify the employee of the period of FMLA leave to be granted, including the date of return to employment. If the notice is oral, it shall be confirmed in writing no later than the following payday (unless the payday is less than one week after the oral notice, in which case the notice must be no later than the subsequent payday).

E. Medical Certification.

(1) The University may require an employee to provide medical certification from a health care provider for FMLA leave **with or** without pay when taken for the serious health condition of the employee or the employee's family member.

(2) Medical certification may be required to affirm the employee's ability to return to work and perform one or more of the essential functions of the job within the meaning of the Americans with Disabilities Act (ADA), after being absent on FMLA leave.

F. Return to Position. Upon return from FMLA leave, the employee shall be returned to the same or equivalent position in the same class and work location, including the same shift or equivalent schedule, unless the University and the employee agree in writing to other conditions and terms under which such leave is to be granted.

G. Continuation of Benefits. The use of FMLA leave by eligible employees shall neither enhance nor decrease any rights or benefits normally accrued to salaried employees during a leave with pay or any rights or benefits normally accrued during a leave without pay.

H. If any provision of Article 17.6 (FMLA) is inconsistent with or in contravention of the Family Medical Leave Act of 1993, Public Law 103-3, or the Family and Medical Leave Act Regulations, 29 CFR Part 825, or any

subsequently enacted legislation, then such provision shall be superseded by the laws or regulations referenced above, except to the extent that the collective bargaining agreement or any employee benefit program or plan provides greater family or medical leave rights to an eligible employee.

17.7 Parental Leave Paid Program.

(1) No more than twice in the course of an employee's tenure at the University, the employee may request and be granted a paid parental leave for the birth or adoption of a child not to exceed one semester (for instructional faculty) or three months for non-instructional employees. No two members of the same family may request parental leave at the same time or for the same event (birth or adoption of a child).

(2) Commitment to return. An employee must agree in writing to return to University employment for at least one academic year (calendar year for non-instructional faculty) following participation in parental leave ~~or reimburse the University for salary received during the leave period. If this condition is not met, the University may require the return of salary received during the program.~~

(3) ~~Commitment to Reimburse. An employee who makes use of parental leave and who remains in University employment for at least one academic year (calendar year for non-instructional faculty) immediately following participation in the parental leave program shall have the total number of hours used deducted from the employee's sick leave and/or annual leave upon separation from the University, or upon transferring between annual leave and non-annual leave accruing contract. An employee who makes use of parental leave, but does not remain in University employment for at least one academic year (calendar year for non-instructional faculty) immediately following participation in the parental leave program may be required to reimburse the University for the liquidated equivalent of all salary paid while on parental leave.~~

(4) ~~The "Parental Leave Paid Program" will be implemented on January 1, 2009 with a commitment of .10% of the in-unit employees' salary base. Program guidelines will be posted on the University's website.~~

17.8 Leaves Due to Illness/Injury.

Illness/Injury is defined as any physical or mental impairment of health, including such an impairment proximately resulting from pregnancy, which does not allow an employee to fully and properly perform the duties of the employee's position.  4. The death of a member of the employee's immediate family, at the discretion of the supervisor. Approval of requests for use of reasonable amounts of sick leave for the death of a member of the employee's immediate family shall not be unreasonably withheld.
- c. A continuous period of sick leave commences with the first day of absence and includes all subsequent days until the employee returns to work. For this purpose, Saturdays, Sundays, and official holidays observed by the University shall not be counted unless the employee is scheduled to perform services on such days. During any seven (7) day period, the maximum number of days of sick leave charged against any employee shall be five (5).
- d. An employee who requires the use of sick leave should notify the supervisor as soon as practicable.
- e. An employee who becomes eligible for the use of sick leave while on

approved annual leave shall, upon notifying the supervisor, substitute the use of accrued sick leave to cover such circumstances.

(3). Certification. If an employee's request for absence or absence exceeds four (4) consecutive days, or if a pattern of absence is documented, the University may require an employee to furnish certification issued by an attending health care provider of the medical reasons necessitating the absence and/or the employee's ability to return to work. If the medical certification furnished by the employee is not acceptable, the employee may be required to submit to a medical examination by a health care provider who is not a University staff member which shall be paid for by the University. (6). Sick Leave Buy-Back.

The University will develop a voluntary program for employees with vested sick leave benefits to receive a one-time cash payment in exchange for non payment of accrued sick leave upon leaving University employment.

Employees who enter the program will continue to accrue sick leave for use as paid time off, but will not receive a cash payment for any accrued sick leave upon leaving University employment.
