24.3 Retirement Credit. Retirement credit for employees who are authorized to take uncompensated or partially compensated leaves of absence shall be granted in accordance with State law and the rules of the Division of Retirement as they may exist at the time leave is granted. The current Florida Retirement System rules also require that to receive full retirement credit, the employee on uncompensated or partially compensated leave must make payment of the retirement contribution that would otherwise be made by the University, plus interest, if applicable. Employees who are to take such a leave of absence should contact the Human Resources office on their campus for complete information prior to taking the leave.

- C. If the UFF is concerned with the performance of any aspect of the Optional Retirement Program, whether administered by the University or State agency, the UFF has a right to consult with the University regarding such concern. As a result of such consultation, the parties may agree to an approach to address the concern if it lies outside the University's statutory authority.

24.6 Phased Retirement Program.

A. Eligibility.

(1). Employees who have accrued at least six (6) years of creditable service in the Florida or Teachers Retirement System (FRS, TRS) or Optional Retirement Program (ORP), except those employees referenced in Article 24.6(A)(2), are eligible to participate in the Phased Retirement Program. Employees who choose to participate must retire with an effective date not later than 180 days, nor less than ninety (90) days, after they submit such written notice, except that when the end of this 180 day period falls within a semester, the period may be extended to no later than the beginning of the subsequent term (semester or summer, as appropriate).

the Florida Division of Retirement. Participants must comply with the reemployment limitations that apply to the second through twelfth month of retirement, pursuant to the provisions of either the Florida Retirement System (which includes ORP) or the Teachers Retirement System, as appropriate.

b. Participants shall be offered re-employment, in writing, by the University under a temporary contract (NOTE: exceptions to this provision are described in Article 24.6(B)(13) below) for one-half of the academic year, however, the University and employee may agree to less than one-half of the academic year. The written re-employment offer shall contain the text of Article 24.6(B)(3)d below.

For less than full-time appointments, the leave shall be credited on a pro-rata basis with the assigned FTE. For the purposes of this Section, immediate family shall include the participant's spouse, mother, father, brother, sister, natural, adopted, or step child, or other relative living in the participant's household.

(5). Personal Non-Medical Leave.

a. Each participant who was on a twelve (12) month appointment upon entering the Phased Retirement Program and whose assignment during the period of re-employment is the same as that during the twelve (12) month appointment shall be credited with five (5) days of leave with pay at the beginning of each full-time semester appointment. This leave is to be used in

increments of not less than four (4) hours ($\frac{1}{2}$ day) for personal reasons unrelated to illness or injury. Except in the case of emergency, the employee shall provide at least two (2) days' notice of the intended leave. (7). Declining Re-employment. A participant may decline an offer of reemployment during any academic year. Such a decision shall not extend the period of re-employment beyond the period described in Article 24.6(B)(5)b above. At the conclusion of the re-employment period, the university may, at its option, continue to re-employ participants in this program on a year-to-year basis.

(8). Salary Increases. Participants shall receive all increases guaranteed to employees in established positions, in an amount proportional to their part-time appointment, and shall be eligible for non-guaranteed salary increases on the same basis as other employees.

(10). Payroll Deductions. The UFF payroll deductions, as specified in Article 25, if applicable, shall be continued for a program participant during each reemployment period, upon request of the employee.

(11). Contracts and Grants. Nothing shall prevent the employer or the participant, consistent with law and rule, from supplementing the participant's employment with contracts or grants.

(12). The employee's decision to participate in the Phased Retirement Program and to resign the employee's established position is irrevocable after the required approval document has been executed by all parties.
