November 2020

Article 20

Grievance Procedure and Arbitration

This article shall remain unchanged except as to changes and modifications referenced below.

~~20.15 Mediation. Both USF and UFF recognize that an effective mediation program would provide an alternative for the parties to amicably resolve grievances. Following ratification of the USF/UFF Collective Bargaining Agreement, the parties shall work together to jointly plan and develop a mediation program that could become part of the grievance process described within this Agreement. Joint planning activities would include exploration and evaluation of alternative mediation models, formulation of a model for testing at USF and field testing of the model(s) developed with the goal of developing mutually acceptable language for inclusion in the Agreement to implement a mediation program. To that end both parties agree to reopen on this article during the next collective bargaining period following ratification of this Agreement.~~

Non-Binding Mediation. (a) At any point during the grievance process, the parties may elect, by mutual written agreement, to participate in non-binding mediation concerning the grievance. The parties may utilize the Federal Mediation and Conciliation Services (hereafter "FMCS"), but it is not required. If the parties choose to participate in non-binding mediation through a mutual written agreement, then the grievance timelines contained herein shall be suspended, pending the outcome of mediation, from the date of the signed written agreement of the parties to pursue non-binding mediation. Should mediation successfully resolve the grievance, where confirmed by both parties in writing, the grievance shall be deemed closed. Should mediation not successfully resolve the grievance, which shall be documented in writing by both parties, the suspension of the timelines of the grievance shall be dissolved and the grievance process shall proceed as detailed herein.
